

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Reject All Bids and Approve Revised Specifications and Authorize Re-Advertisement for Bids for Truck Hauling Services for Asphalt Concrete, Asphalt Concrete Grindings, and Spoils

MEETING DATE: July 18, 2001

PREPARED BY: Public Works Director

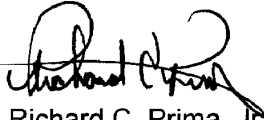

RECOMMENDED ACTION: That the City Council reject the only bid received and approve revised specifications and authorize re-advertisement for bids for truck hauling services for asphalt concrete, asphalt concrete grindings, and spoils.

BACKGROUND INFORMATION: The City Council approved specifications for truck hauling services for asphalt concrete, asphalt concrete grindings, and spoils at the May 16, 2001 meeting. Due to numerous questions about the specifications, including the rate per hour for multiple trucks, the receipt of only one bid, and that the bid received was higher than the current average rate for trucking, staff recommends the bid be rejected. Staff requests permission to revise specifications and rebid the project.

The revised specifications are on file in the Public Works Department.

FUNDING: The money for this project will be funded from Street Maintenance Funds.

Project Estimate: \$32,000
Budgeted: 1999/2001 budget
Planned Bid Opening Date: August 1, 2001

Re: Truck Hauling Services for Asphalt Concrete

Dear Susan:

Pursuant to our conversation this afternoon, Frank was just advised that his bid in the above entitled job has been rejected and further that the matter is on tonight's consent calendar.

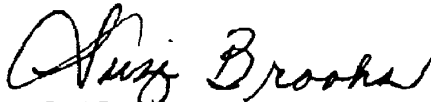

Frank will be unavailable this evening and Tony Alegre is out of town. Clearly this does not allow us sufficient time to prepare a rebuttal to the City's rejection. Additionally we do not know why the bid was rejected.

We would appreciate it if this matter could be put over to the next council meeting so that we can properly appear and respond.

Thanking you in advance for your anticipated cooperation.

Yours truly,

FRANK C. ALEGRE TRUCKING, INC.
